

Fergus Curling Club
Board of Directors Meeting
December 15, 2021

Chair: Calum McGeachie

Secretary: Deb Wilson

Attendance: Dale Beirnes, Richard Booy, Brian Clark, John Ferguson, Brian Gibbon, Katrina Gordon, Steve Graham, Calum McGeachie, Chris Taylor, Deb Wilson

Regrets: Bob Grant, Bonnie Talbot

Meeting was called to order at 7:00 p.m.

Minutes from December 1st were approved and accepted via email on December 4th and posted.

Covid-19 update: Provincial and Health Unit orders were received and reviewed. As of January 4, 2022 Members will be required to scan both the QR code issued by the Province as per Provincial Regulations and the QR code issued by CurlON. ACTION: Brian will mount a cell phone with the ability to read the Provincial QR code at the door.

Little Rock Program – Christmas Activity: The Christmas social that the Little Rocks had planned will be cancelled due to Covid-19 precautions. Curlers will continue to play with masks but they will be asked to exit without socializing.

League Update: Second session has had a significant increase in curlers to bring the membership to 216 with 40 of those new members.

Use of Club email data base: After some discussion it was agreed that the FCC email data base is only for Club use. Ideas for Club Sponsor exposure and promotion were discussed. Members need to be encouraged to recognize Club Sponsors. Ideas will be brought forward in the near future and in place for next season.

Setup of Pro Shop on Square: Calum has recruited a volunteer to setup merchandise from the Pro Shop on the Square. There will be an online auction of clothing in the near future.

Kitchen Cleanup: Richard will contact Carl G. for a cleaning date and Katrina will post a callout for volunteers. Public Health will be called to inspect after the cleaning. Volunteer hours will be awarded.

New Business:

- February is Olympic month and a good time to promote curling with a Google review. How to: Google FCC and on the right side of the screen where it says Google review, select write a review, add your review with pictures if you so desire.

- Brian C. introduced a digital time clock to be mounted at the far end of the ice. It will be visible from the Club room as well.
- Brian C. will update the trophies for last year and this year at the same time.
- Steve and his team are organizing and cleaning up the archives in the Club.
- Chris has recruited a volunteer to help with the Web calendar.
- Chris reported that the Defibrillator is ready and tested. A volunteer opportunity to test it monthly and perhaps check the First Aid kits presents itself.

Next Meeting: TBA 2022

Adjourned: 8:50 p.m.
